There is no discount for the first two payment options. Tuition is considered late after the 5th of each month, and late payments will incur a late fee. Tuition includes holidays, staff development days, and any months when there is not instruction for the full month. Rates are subject to annual increases.

Withdrawal Policy: The Enrollment Contract term is for the full school year. If a reason arises for you to break your contract and withdraw your child prior to the end of your contract term, you are required to provide written notice to the Director, and a penalty fee will be incurred, per the following conditions:

- Written notice provided at least 30 days in advance of withdrawal will incur a penalty fee of 10% of the annual tuition.
- Failure to provide notice, or written notice provided less than 30 days in advance of withdrawal, will incur a penalty fee of 20% of the annual tuition.
- If you withdraw your child after March 1st, you will be held responsible for the tuition for the remainder of the school year.

Mid-year Enrollment: Students beginning after the start of the school year are responsible for the pro-rated balance of the annual tuition, with all relevant fees and a minimum of 10% of the balance due by the child's first day of school.
